

CareAttend: Caregiver Case Notes

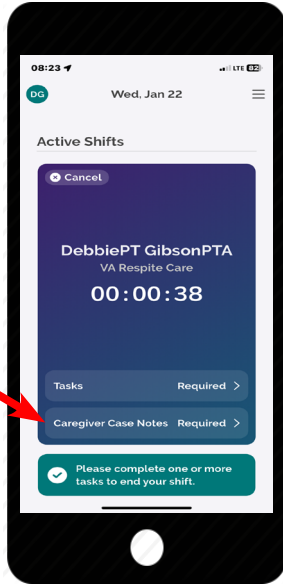

To add comments about your shift, use the Caregiver Case Notes feature in CareAttend.

Caregiver Case Notes

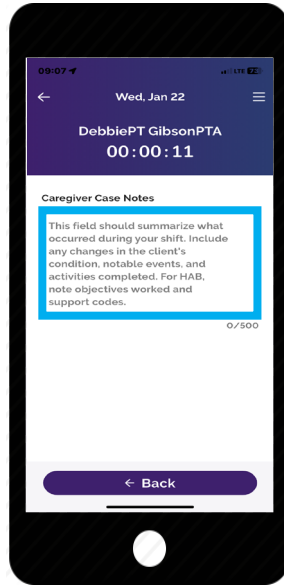

1

As the Caregiver, sign into the CareAttend App using your passcode on the unlock screen.

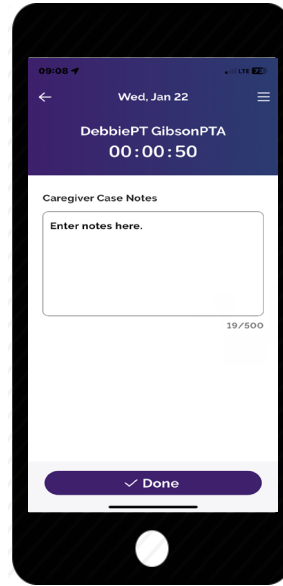

2

Once you have started your shift, click **"Caregiver Case Notes."**

3

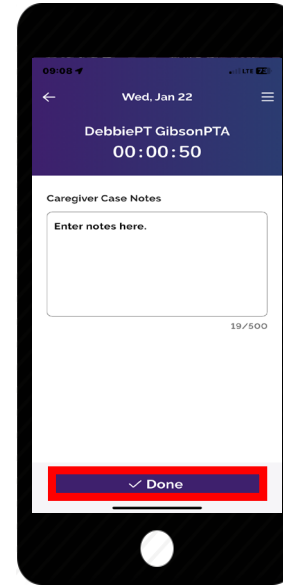

Tap inside the comment box and your device's keyboard will open.

4

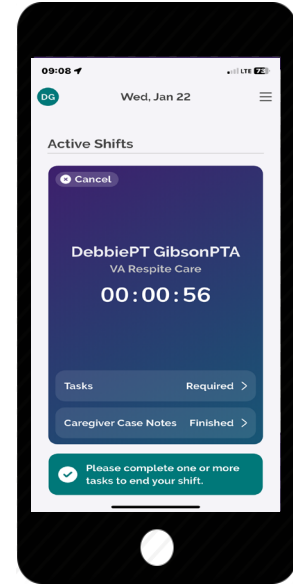

Enter your comments in the comment box.

To exit your keyboard, tap the white space inside the comment box OR tap the back arrow in the upper left corner of the screen.

5

When you are finished, select **"Done."**

6

You will be returned to the **Active Shifts** screen to complete the remaining steps of ending your shift.
